As the firm's founder, Robert D. Hennessy offers extensive experience in executive search. Mr. Hennessy's entire career has been dedicated to the executive search industry. His experience has been gained in both small and large firms, having worked in boutiques, as well as for the President of the world's largest search firm. At Korn/Ferry International (K/FI), Mr. Hennessy started and successfully built a new office in the fifth largest business center in the U.S. Following K/FI, and as a Senior Partner and Corporate Officer, he helped start and build a global search firm that offered specialty practices throughout North and South America, Europe, and Asia. Most importantly, Mr. Hennessy offers one of the search industry's most successful fulfillment records.

- Twenty years of executive search experience. Over ninety percent project success ratio.
- Served as Senior Vice President and a Founding Member of one of the world's fastest growing specialty search boutiques. In four years, the firm grew from a start up to a ten office, seventy employee, global firm.
- Extensive experience developing search strategies for Chairmen, Presidents, and Human Resource Executives at Fortune 500 and Global 1000 corporations for executive, general management and functional management positions.
